PROFESSIONAL SUMMARY

Highly motivated IT engineer currently pursuing a degree in Information Technology with a strong foundation in computer science principles and practical experience in various IT domains. Skilled in analyzing complex technical issues, designing innovative solutions, and implementing effective strategies to optimize system performance. Adept at collaborating with cross-functional teams and delivering exceptional results within deadline-driven environments. Dedicated to staying updated with emerging technologies and continuously enhancing technical expertise. Seeking opportunities to apply knowledge, skills, and passion for IT engineering to contribute to organizational success and drive digital transformation.

Proficient in programming languages such as Python and C++, with a focus on problem-solving and algorithmic thinking.

Knowledge of network protocols, routing, and security principles, along with experience in network configuration and troubleshooting.

Strong understanding of database management systems, including SQL, database design, and query optimization.

EDUCATION

Present	Integrated Post Graduation: I.T Engineering <ul style="list-style-type: none">Indian Institute of Information Technology, Gwalior, Madhya Pradesh
